LIMINALE PUBLIC LINEAR

While you are young Look around—Reach out while you can. Life changes
Like the shore of the sea Although you will be here Tomorrow. Your dreams may not be Faces in the crowd. In many ways, They are all alike. In others—Extremely different.

Some hurry.
Some worry
Many hold fast
To their dreams.
Others live for
The present day.
Not knowing, or
Seemingly raring,
What the future holds
for them.
Some laugh.
Some cry
All conceal.
Their secrets carefully.
Knowing their eyes
Reflect.
Their inner thoughts.

It was in the fall
Of our years
We were sitting
Silently just waiting
For the last crisp
Leaves to finally
Be caught by the wind
And glide down
Thus covering the whole
Earth with their crisp stillness
But, then, the sun began
To dance among the clouds
And we
Began to wonder

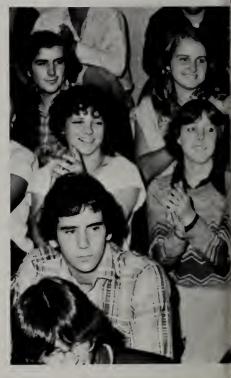

So, hare we are, On the verge of Uncertainty And experiencing Indecision Who knows What we will become? Successful or deteated Optimists — pessimists Enlightened or dissillussioned Friends — lovers — Strangers???

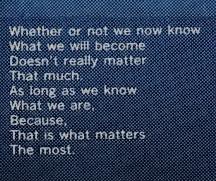

Well La.

Yesterdays
A hundred of them filled
With the joys and wonders
That a thousand tomorrows
May never bring
Not the beginning,
But an end
Or has everything so far
Reen just a primer
For all
That's left in life?

We thought about
The freedoms
And sacrifices
For knowledge.
And yet
Our anticipation is greater
Than it has ever been.
We reached out to find
Our identities in the mass
Of student names and numbers.
It is a time for discovery
And awakening.
But every moment is
So precious,
So short.
Reach for the sun.

# The Freetown-Lakeville Regional School Committee

Regional Committee Meetings are centers of interpretation and decision. They are open forums for suggestions and the implimentation of new, vital ideas which do not create a place for restriction but a place to enjoy learning.

Through community support and a highly competent Administration, the Committee's task to uphold morale and make school a worthwhile experience has been a complete success.

# "MY SPECIAL FRIENDS"

Karen Allerdt

I love my friends, my friends love me.
We get along tremendously.
What will I do? I think I'll die,
When it comes time to say good-bye.
We're all so close, it's really
something,

When I need help, they'll stop at nothing.

They never, never let me down.
When I'm upset, they ease my frown.
If I do something worth their praise,
I'll hear about it for days & days.
I treasure my friends more than you know

For they're the ones that have helped me grow.

Soon it will be time for us to part, But my friends will stay very dear to my heart.

# Football

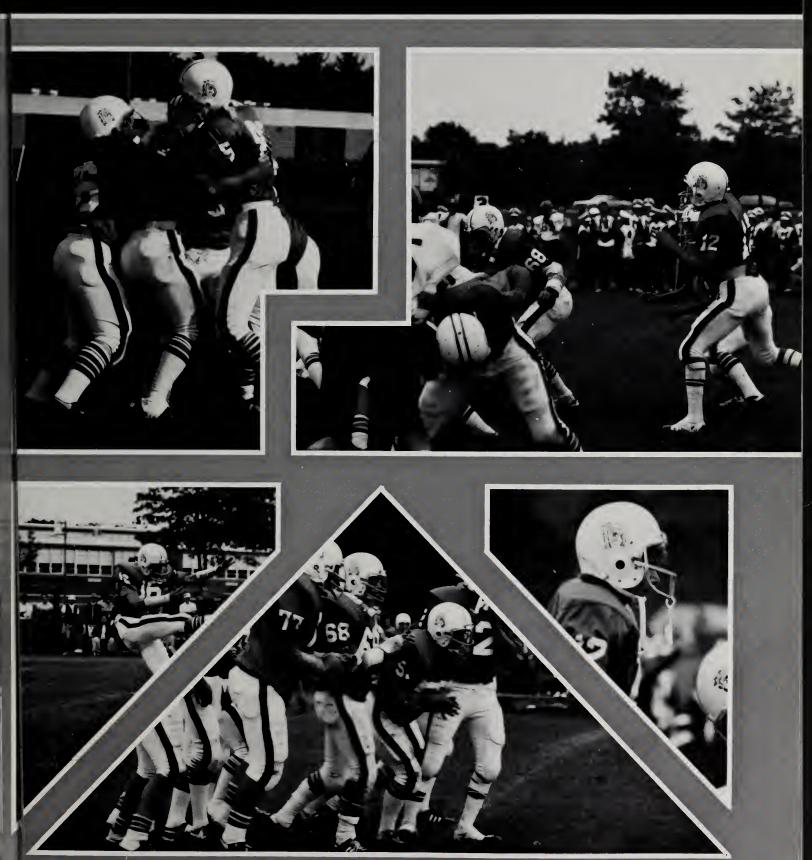

Although the football team had a few bumpy spots, the Varsity team did very well this year. With excellent leaders like Paul Fournier and Glenn Benevides how could the team do badly? However, the most memorable moment the team shared was when they played against Manchester. The boys gave the best they

against Manchester. The boys gave the best they could do and really participated. The peaks of their season were the times they played Middleboro and Manchester and soundly defeated each team. Dennis Silvia, John Sharland, Mike Brown and Glen Johnson are to be congratulated for the most improvement of any team member. Mr. Plasecki is very optimistic about next year's team. He has many of the juniors trained and ready for an outstanding year.

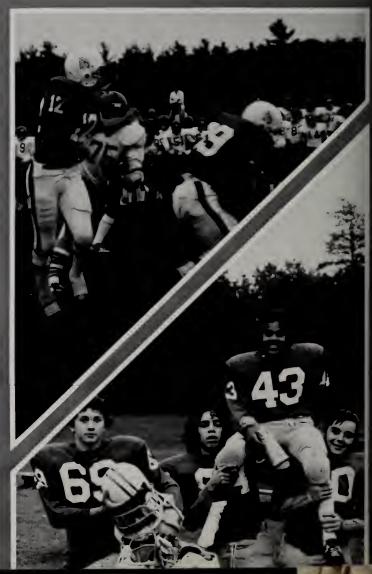

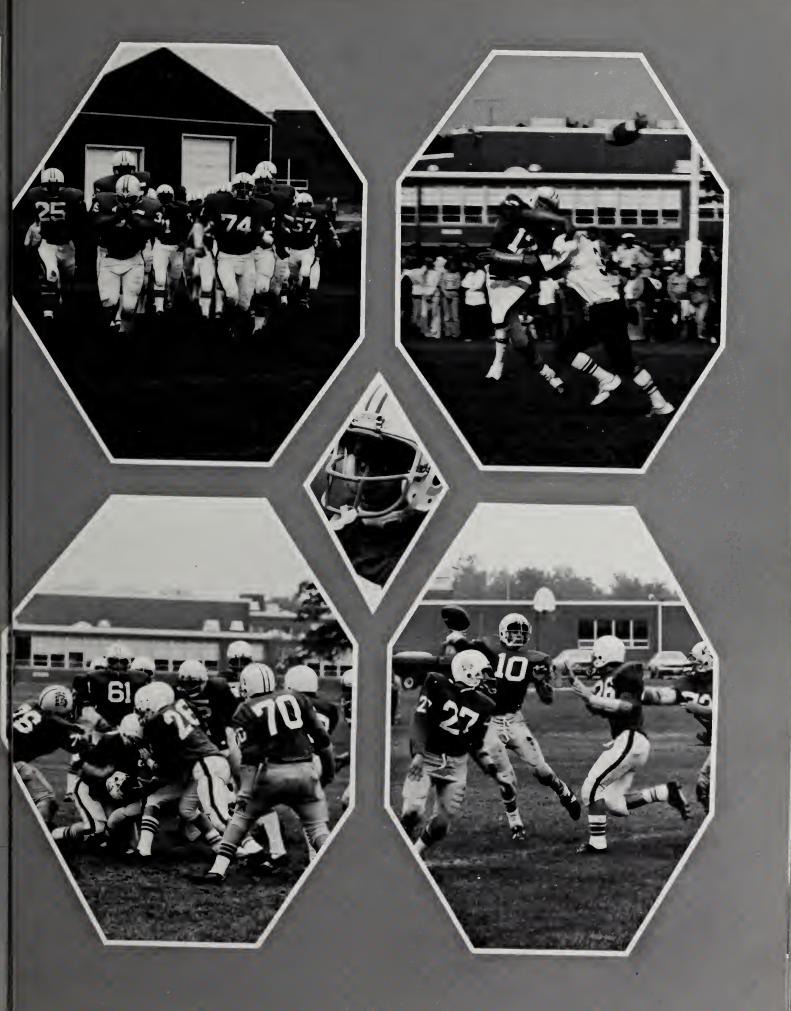

# Go Lakers!

# Field Hockey

The Field Hockey team had a fantastic season this year going undefeated in the league. The whole team agreed the peak of their season was when they defeated the Somerset team. Many of the players showed much improvement and leadership especially, Lee Maguire and Yvonne Erickson. Best all around player definitely goes to Leslie Wood. There is one most memorable moment the team will

never forget—that is when Mrs. Tinsley said these words to her team, "I have never enjoyed working with a team as much as you kids. I am so proud of you, I love you kids!"

# **Cross Country**

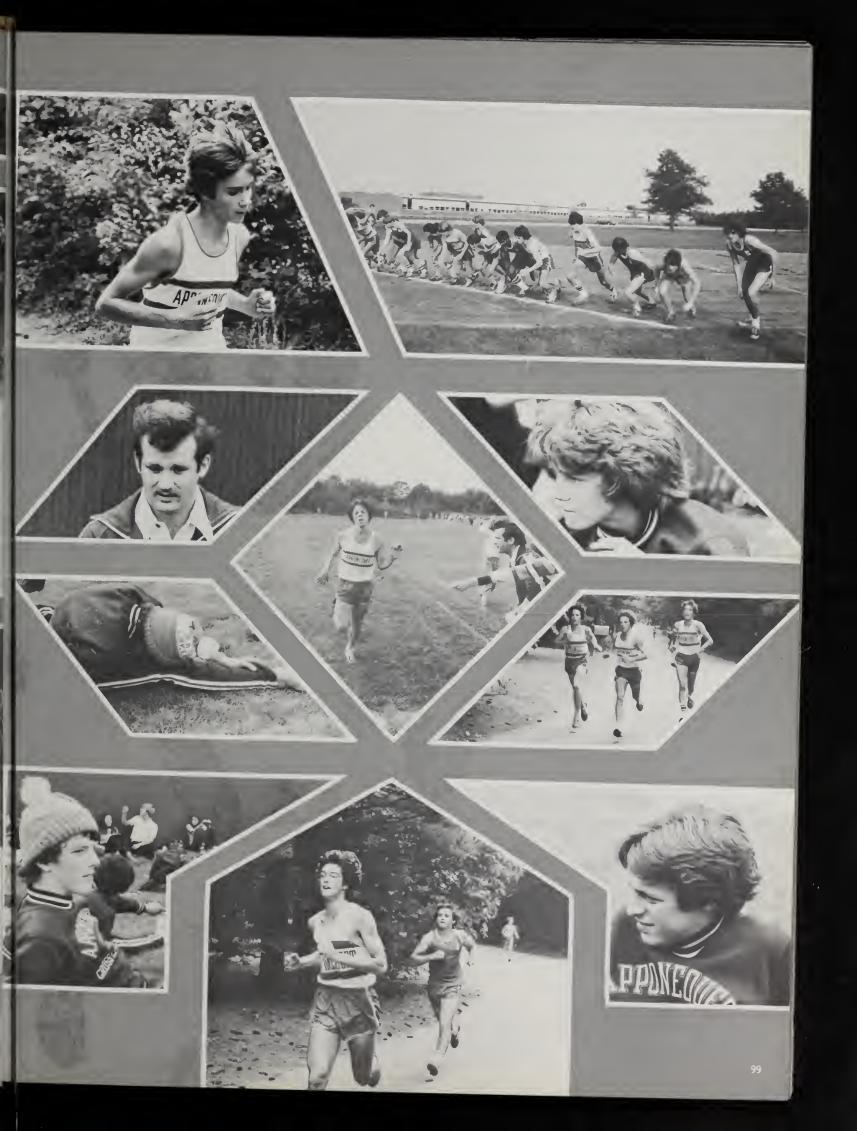

Although Cross Country isn't as popular as base-ball or football, it still has its fans. Mr. Dawson, coach of the Cross Country team, was thrilled when the team won the All League Meet. Mr. Dawson Believes this win was the team's most memorable time together. The All League Meet was also the team's peak

was the team's most memorable time together. The All League Meet was also the team's peak of the season. Mr. Dawson hopes that many students go out for Cross Country next year. The players he feels improved the most this year are Paul Westgate and Mike Dunham. Also, two people who displayed extreme leadership are Melissa Lawrence and Doug Broadbent. Lastly, Mr. Dawson feels that the team was successful because they had spirit and togetherness.

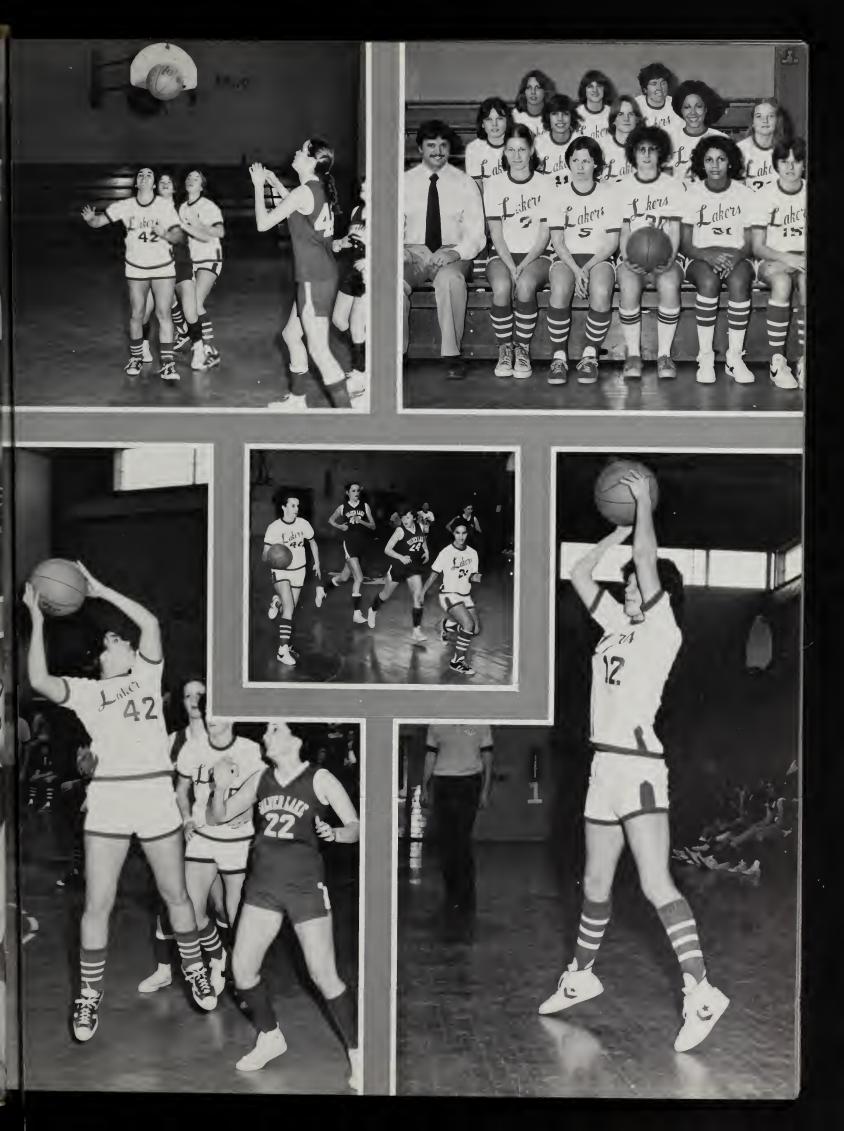

### Girls Basketball

The girls basketball team had a fine season this year. They clinched the Mayflower League Title by defeating Norton in an excellant played game. The score was an impressive 70-50 as the Laker girls proved their superb ability. The girls led by co-captains Karen Allerdt and Voncia Costa always showed good team effort and always had a well-balanced score. The Seniors making up the majority of the squad capped off their high school career on a strong note winning the Mayflower crown all four years.

### **Swimming**

The team's co-captains have shown much improvement. Doug Broadbent and Dan Hopkins have broken several records that they themselves have set in previous years. Scott Garvey's unique skill for his diving ability has enabled him to become the head diver on this year's team. Melissa Lawrence, a sophomore, has shown much improvement over the

much improvement over the three years she had been on the team. She has set several school records. Her unique skills have been a great help to the team.

# Boys Basketball

This year's team has shown much improvement with the help of two seniors-Captain Steve La-Chapelle and Billy Messier. Also showing much improvement were juniors Bill Ripley with his rebound skills, and Bob Clarke, becom-

ing high scorer for the team. A big help to the team was a new comer-Lance Livesly with his defensive skills. The Lakers have won 14 games and lost only 1 for the season. The team's most memorable moment was winning the League Championship.

# Softball

The Varsity Softball team, as usual, ended with a successful year. Last year, the team won 22 games without a loss. Mr. Looney, the coach of the Varsity Softball team, had many great things to say about the team. One of the most memorable moments the team shared was when they had their annual supper date. All the girls looked

beautiful. In fact, Mr. Looney was quoted as saying, "Most people think of our girls as atheletes which they are, but more so, they are beautiful young ladies." Then he said that the most improved player was Leslie Wood and the two girls with the most leadership were Joan Allison and Sue Rezendes. Coach Looney is very optimistic about next year's softball team. He is not, however looking forward to the end, when 9 terrific, talented girls will be graduating.

# Baseball

Mr. Tinsley, coach of the Varsity Baseball team, was very impressed with the 1978 team. He said that the one thing that sticks out in his mind is the game they played against Norton, the team that won the Eastern Mass. Championship. Apponequet won 1-0 over these champs. Coach Tinsley added that the peak of the baseball season was towards the end w

són was towards the end when they tied Norton, while saving their record of 15-1. Last year, three players demonstrated improved talents: Jim Davis, Scott Garvey and Paul Donegan. With these three players and many new ones going out for the team in '79, Coach Tinsley is extremely optimistic about the coming season.

## **Tennis**

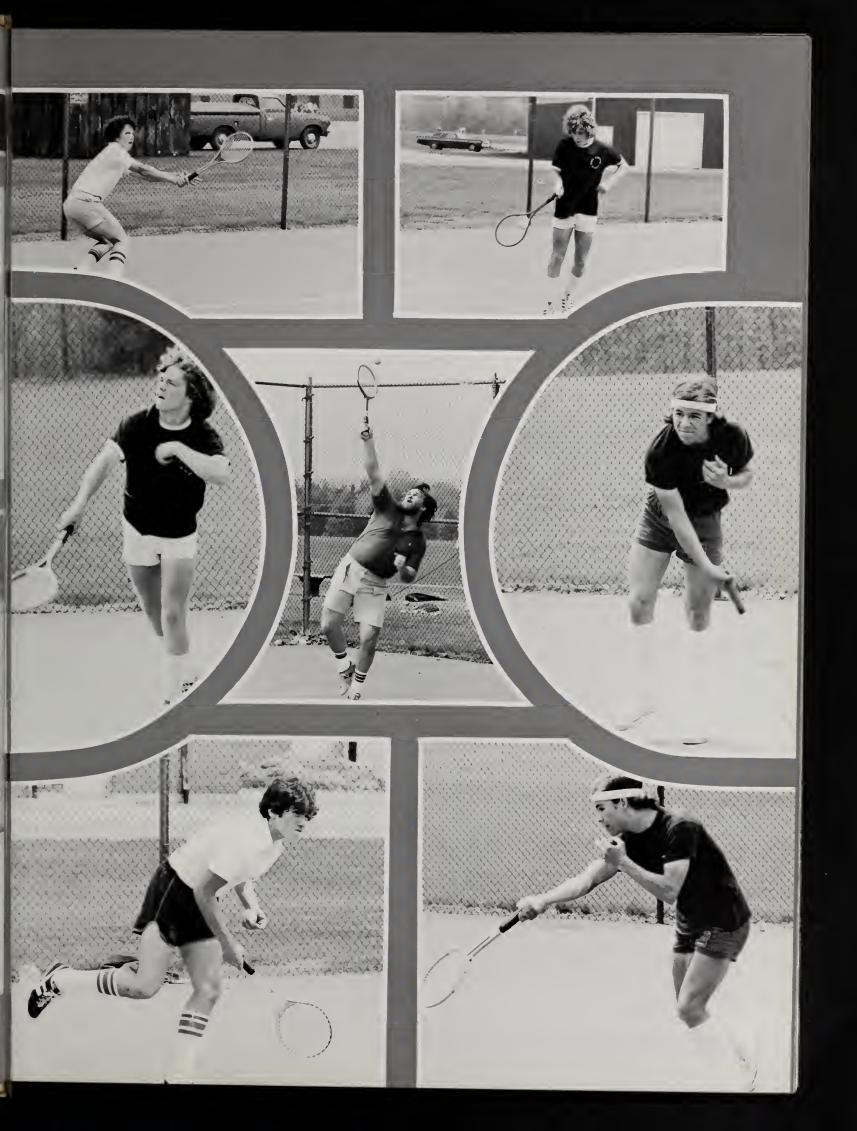

The Tennis Team, just a few years old, is getting more popular every year. Mr. Robidoux, the coach of the Tennis Team said the team is doing terrific. Although a few players like Arthur Bethea, Jim Gurney, and Richard Burke graduated last year, Mr. Robidoux feels he has some players that will keep up the same nace as last year.

ers that will keep up the same pace as last year and maybe even better it. Some of the players that will be playing this spring are Ed Boyer, Mike Roberts, Mike Brown, and a couple of freshmen. The girls are all fantastic tennis players. The teams most memorable moment was when they came close to defeating Bishop Connolly (State Champs). The hardest team they played against was the New Bedford High Tennis Team. Jim Gurney displayed the most sportsmanship. Lastly, Mr. Robidoux would like more students to go out for the tennis team in the years to come.

# Track

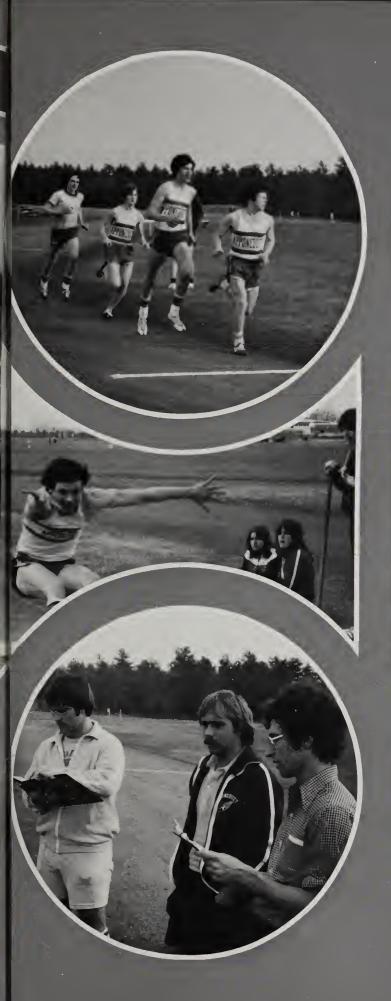

Mr. Dias, coach of the Apponequet track team, mostly had some good news to share with us. He said that many of the players had improved tremendously during the season. Coach Dias states that Michael Gross improved in throwing the shotput and Phil Muir improved in throwing the javalin by 25 feet. In discus throwing, John Pi-

javalin by 25 feet. In discus throwing, John Picard improved 13 feet. Mr. Dias is going to make a lot of improvements for the long season. One thing he'd like to do is have more kids good at one or two track sports instead of having just one or two displaying talent in many of the events. Also, he is coordinating a program with the Middle School to get young boys ready for the track team when they enter the High School. So the future of the track team is very hopeful.

# Golf

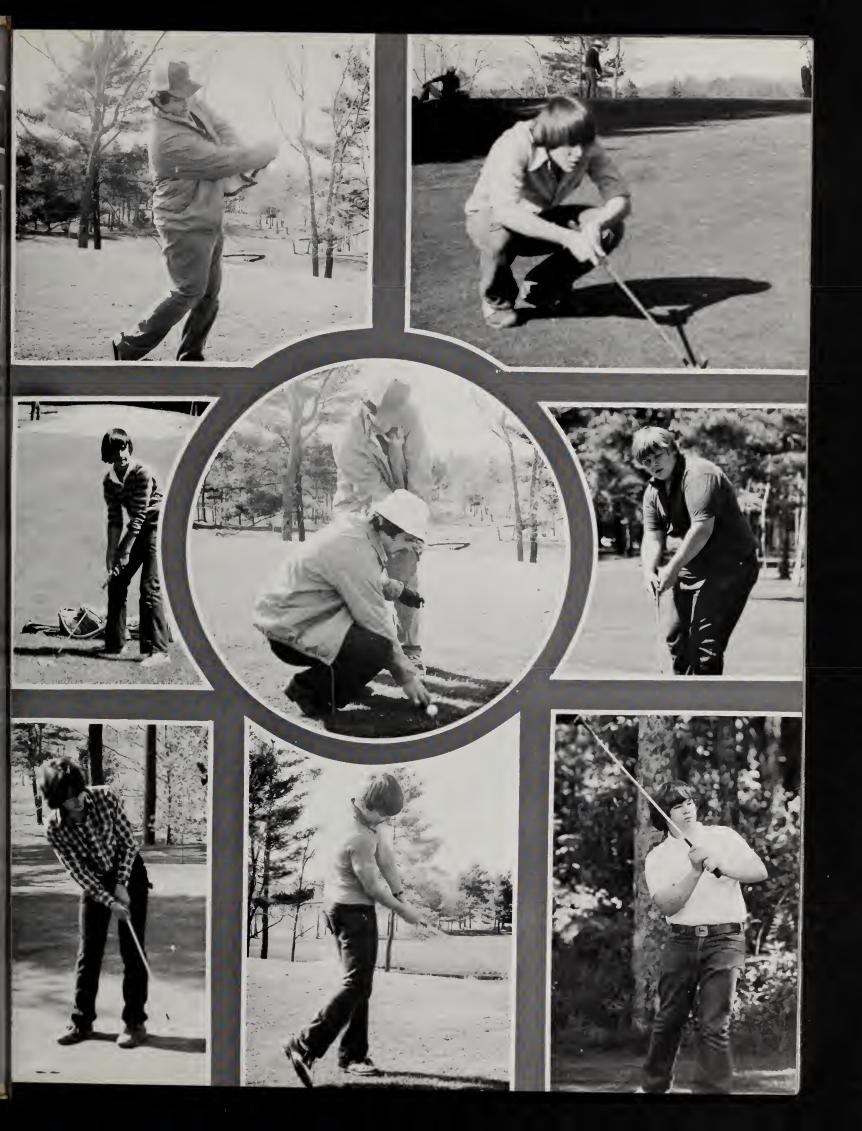

The Golf Team, a fairly new team at Apponequet, improved tremendously last spring. They won the championship title in the league which was their season's peak and the most memorable moment the Team shared. The most improved players were Scott Holmes, Mike Smith, and Jeff Mello. The players demonstrat-

ing the most leadership were Bob Barlow, Scott Holmes, and Paul Aitken. Coach Homen is cautiously optimistic for the 1979 season because of the loss of some fantastic players - Kevin Belkin, and Kenny Aitken. He feels that if more students go out for Golf, the team has a good chance of repeating the same title and becoming stronger and better.

Yearbook Staff

The 1979 **Polarion** staff was marked by involved and devoted seniors who, hopefully, have succeeded in creating a complete and accurate picture of the 78-79 Apponequet experience.

It is the hope of the staff that you, the reader, will not think that we have taken an easy approach to this yearbook but will realize that we have taken an honest one.

The Polarion has survived it's crises!
